

CELEBRATING THE CONSERVATORY, CREATING A LEGACY

The 7,400 square foot glass Conservatory is a place to:

- Grow Education
- Grow Engagement
- Grow Conservation

Share in the legacy of the Garden! Purchase a commemorative tile in celebration of the new Dickinson Family Education Conservatory.

A welcoming space for visitors of all ages, the Conservatory will be a community destination, and a place to gather, learn, and grow.

Located next to the Hamilton Children's Garden, the Dickinson Family Education Conservatory will feature:

- A multi-purpose main hall with tropical plant chandeliers, and elegant glass and metal design, and a state-of-the-art lighting and audio/video system.
- A kitchen for cooking classes, farm-to-table events, and catering needs.
- An outdoor amphitheater with stage, lighting and seating for 265 guests.

The Conservatory will be ideal for culinary events, summer camps, horticultural and art exhibits, wedding receptions, and more. Experiential learning programs will focus on agriculture, horticulture, nutrition science, and sustainability.

Your engraved commemorative tile will be permanently displayed on columns throughout the Conservatory in honor of your family, the memory of a loved one, or to celebrate an important event.

RESERVE YOUR TILE TODAY

1. Choose your tile.

All tiles are 26 characters maximum per line. Spaces and punctuation count as characters.
